Rock got no reason, rock got no rhyme... You better get me to school on time! Based on the hit Jack Black movie, School of Rock the Musical follows Dewey Finn, a failed, wannabe rock star who turns a class of straight-A pupils at a prestigious prep school into a guitar-shredding, bass-slapping, mind-blowing rock band. But can he get them to the Battle of the Bands

without their parents and the school's headmistress finding out? School of Rock the Musical is produced by Andrew Lloyd Webber, who has composed 14 new songs for the show, which also features all of the original songs from the movie. With its sensational live kids' rock band, this show is a loving testimony to the transforming power of music. Join us in pledging allegiance to Rock with Andrew Lloyd Webber's latest hit!
